1:30 PM

The Montgomery County R-II School District will not be running any buses this afternoon, March 8, for dismissal of school. All students will need to be picked up by parents or someone whom the parents designate to pick up their child(ren).

**Montgomery County High School**

Students who have driven to school will not be allowed to leave the premises until a parent/guardian has contacted the school and given permission for the student to drive off premises. These parents/guardians should contact the school by 3:00 PM this afternoon to give this permission and to inform the school where the students are to go. If your child is riding with another student, the parent guardian is still required to contact the school and provide that permission to ride with another student by 3:00 PM. The phone number is 573-564-2213 extension 5071. These students will be dismissed starting at 3:20 PM.

Pick up of other students will occur in the student parking lot at the southwest door. Identification will be required to obtain these students. These students will be dismissed at the regular time of 3:50 PM.

**Montgomery County Middle School**

Pick up of Middle School students will occur at the front entrance to the Middle School (not the new gym entrance area). Parents are to call and provide the identity of the person(s) picking up their child if the parents are unable to do so. Identity will be checked prior to releasing any student. If an older sibling is picking up a Middle School student, the parent/guardian is still required to call and provide this information to the school office. The phone number is 573-564-2253 extension 5072. These students will be dismissed at 3:50 PM.

**Montgomery City Elementary**

Pick up of all students will occur along the new driveway at 3:35 PM. If the parent/guardian cannot pick up their child they must call the school office at 573-564-3711 extension 5073 and provide the identity of who will be picking up their child(ren). Identity will be checked prior to releasing any students.

**Jonesburg Elementary**

Pick up of all students will occur along the new front entrance driveway and students will be dismissed at 3:35 PM. Parents/guardians who are unavailable to pick up their child may call the office at 636-488-5923 extension 5074 and provide an identity of who will pick up their child. Identity will be checked prior to releasing any student.

Thank you for your help and understanding as we do what we can to assure the safety of your child.
